

#### 8-1-10: SIGNS AND SIGN POSTS:

It shall be unlawful to erect any sign, or post supporting such sign, within the curb line of any sidewalk within the city or to permit any sign to project beyond the curb line of any such sidewalk into or over any portion of any street or to project over such sidewalk more than three feet (3') from any building to which it may be attached or to be so constructed that the lower edge thereof shall be less than seven feet (7') above the sidewalk level at the point where it is attached to such building without having first applied for and received a special permit from the city council. (Prior Code § 18-18)

#### 6-9-2: ERECTION OF SIGNS:

The county sheriff, in cooperation with the Nevada state department of transportation and the city council, shall cause appropriate signs to be erected at or near each intersection, and at other appropriate places along Aultman Street or Avenue F to supply proper notice to drivers of motor vehicles greater than seven feet (7') in overall width. (Ord. 454, 12-10-1990)

#### 6-3-2: ERECTION OF APPROPRIATE SIGNS:

The chief of police, with the assistance of the city engineer, subject to the approval of the city council, shall cause appropriate signs to be erected and maintained designating railway grade crossings and such other signs, markings and traffic-control signals as may be deemed necessary to direct and regulate traffic and to carry out the provisions of this title and such additional signs as may be appropriate to give notice of parking and other regulations. (Prior Code § 14-24)

#### 12-15-3: SIGNS:

Any sign, billboard or commercial advertising structure which lawfully existed and was maintained on the effective date hereof, may be continued, providing no structural alterations are made thereto and that all such nonconforming signs, billboards or commercial advertising structures shall have been removed from the district not later than five (5) years from the effective date hereof. (Ord. 410, 8-25-1986)
